Letter of Intent:

Cow House Studios will provide a letter of intent stating that you will be traveling in Ireland to participate in FieldWorks. Students should have this letter when they go through immigration at Dublin airport. It will state that Frank Abruzzese and Rosie O’Gorman will be responsible for you during your stay and that you will be studying art for the duration of the 12 week program. Please be aware that you will have 90 days to travel in Ireland without a visa which allows for six days of additional travel time either before or after the program.

COVID-19 Test Result:

Students must also bring a copy of their most recent COVID-19 test carried out one week prior to their arrival in Dublin.
